

CHARLES R. CATER
ATTORNEY AT LAW
FIRST NATIONAL BANK BUILDING
LA GRANDE, OREGON

June 6, 1950

Mr. Howard Kuhn
City Recorder
Elgin, Oregon

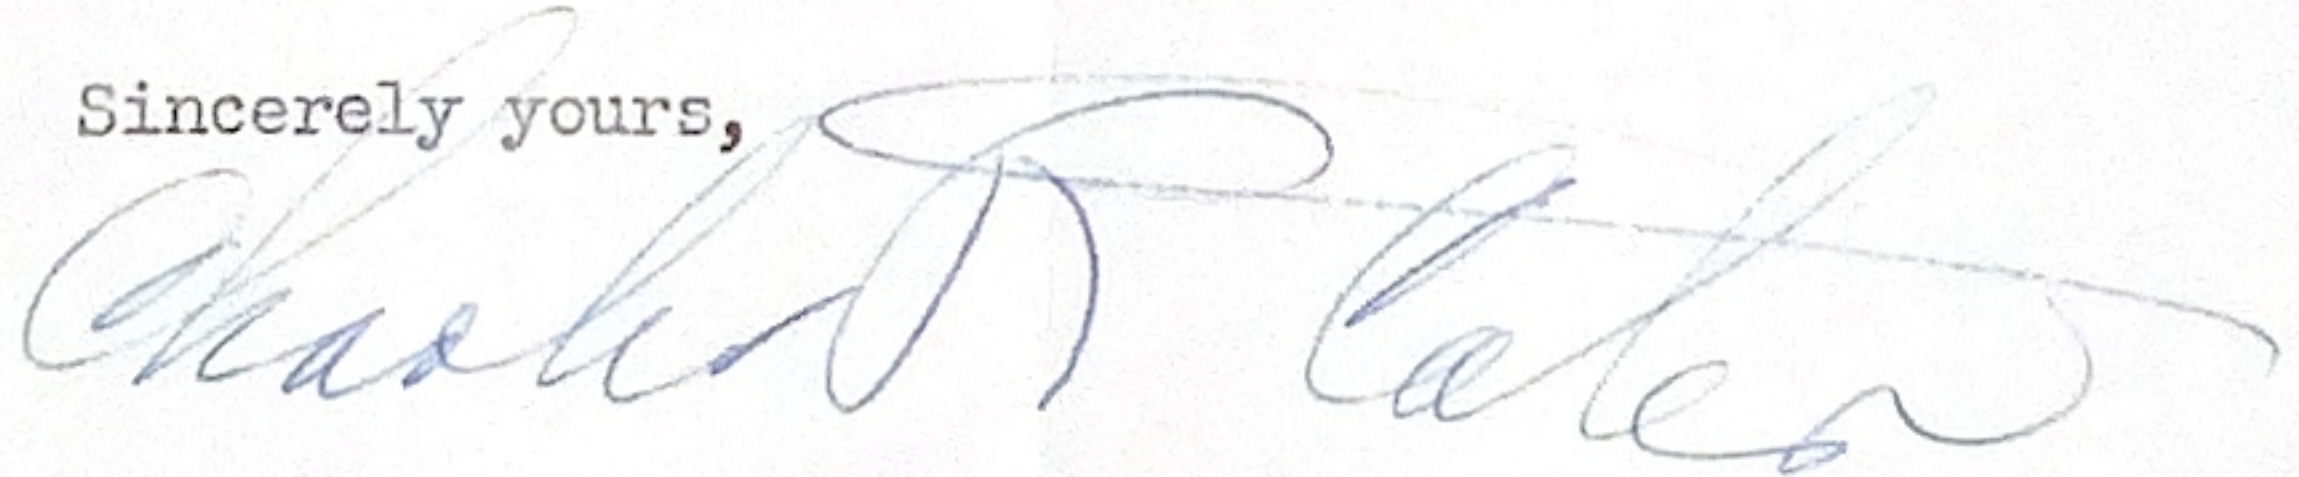

Dear Howard:

I have prepared copies of a resolution and ordinance and a notice in a proceeding to vacate that portion of B Street between Elgin and Pine Streets. You will recall that this is the piece of street concerning which Mr. Eberhard and I presented our respective views to the City Council several months ago. We have now reached a mutual understanding by the terms of which it is agreeable to both parties that the entire block long section of B Street indicated shall be vacated. I have given an original and five copies of each of these documents to Mr. Cochran, your city attorney, and he is going to bring them down with him tomorrow afternoon to present to the Council at their meeting. Otherwise, I would mail them to you with this letter. If the Council passes the resolution, which I think they will, of course, then I will mail a copy of the notice to the newspaper and ask them to publish it in the issues indicated in the ordinance and resolution.

The only posting which you need to do is to post two copies of the notice on that portion of the street to be vacated and one at each end should suffice. The posting should take place on the 8th of June; that is the day after you hold your regular meeting on the 7th, tomorrow night. At the meeting on August 2nd, the ordinance will come before the Council for final passage. I will leave it in your hands with these comments.

Thanking you for your kindness and courtesy in this and all other matters, I remain

Sincerely yours,
